Gandhi Jayanti

2 Oct. 2023

October 2nd happens to be the birth anniversary of two great Indian leaders- Mahatma Gandhi and Shri Lal Bahadur Shastri. Avalon World School Waghodia celebrated this day with great enthusiasm. The program commenced with a bhajan by Mr. Manjeet, Ms. Priya , Ms. Alka & Speech by Ms. Sunita. Students presented various programs like Hindi and English poem recitation. The program enlightened the audience with the analogy of the two great leaders by Jiya and Tanya Parekh. Many great leaders, were portrayed by the students through fancy dress program. The event concluded with the National Anthem.

Science & SS Exhibition at DPS Vadodara

6 Oct. 2023

The students of grade VII, Avalon World School Waghodia embarked on an amazing educational expedition, immersing themselves in the intriguing domains of Science, Mathematics, and Social Science during their visit to their sister school, Delhi Public School Vadodara.

Math Week

9 Oct. to 13 Oct. 2023

"Life is a Maths equation, in order to gain the most you need to know how to convert negatives into positives"

"Mathematics gives us hope that every problem has a solution"

To create an interest and love towards the wonderful and magical world of Mathematics, Avalon World School Waghodia celebrated Mathematics Week for Grades I to X from 09-10-2023(Monday) to 13-10-2023(Friday) with the Theme: JOYFUL MATHEMATICS with great pride and enthusiasm.

DAY-1: SPECIAL ASSEMBLY BY PRIMARY SECTION

Students of Grade II to V did the role enactment of some of the famous Indian Mathematicians in the form of fashion show. Students of Grade VII (A) also presented a skit on BODMAS.

DAY-2: SPECIAL ASSEMBLY BY SECONDARY SECTION

Students initiated the morning assembly with interesting Mathematics Prayer by a student of Grade IX, followed by astonishing Mathematical Thought presented by a student of Grade VII (B). One of the Students of Grade X gave extremely informative speech on the topic Importance Of Mathematics followed by a unique presentation of Divisibility Rules in the form of a Poetry by the students of Grade VII(B). They sung it beautifully. Before the wrap, there was a spectacular dance performance by the students of Grade IX and X. At the end, the session was wrapped with a Mathematics pledge presented by a student of Grade VII(B).

DAY-3: Students of Grade IX conducted a Mathematics Quiz in the form of PPT for Grade IX and X, prepared by them. It was an interactive session, fun filled and informative. Students of Grade V and VI also prepared some Mathematical Games and Puzzles based on Mathematical operations/Geometry and played with their classmates and friends.

Grade VI students also did String Art activity based on Geometrical Ideas.

Mathematics Week Celebration was a fantastic opportunity to cherish the importance of Math in everyday life. It provides an effective way of building mental discipline and encourages logical reasoning among students..

Math Week

9 Oct. to 13 Oct. 2023

"The only way to learn mathematics is to do mathematics".

Session on COLS (Compression Only Life Support)

9 Oct. 2023

A session on COLS(Compression Only Life Support) was conducted by Dr. Anuja Agrawal and her team of doctors from Sumandeep Vidyapeeth . The session was for the students of grades VII & VIII.

A brief description and demonstration on compression only life support was given by the team of Labdhi Simulation Centre of Sumandeep Vidyapeeth. The objective of the programme was to equip the students to perform CPR and save lives . The students greatly benefitted from this training as they learnt an important life skill.

World Mental Health Day

10 Oct. 2023

'Mental Health is not a destination, but a process. It's about how you drive, not where you're going!'

World Mental Health Day was first organised on 10,October,1992 by the World Federation of Mental Health, a global mental health organization having a presence in more than 150 countries. The theme for 2023 was 'Mental Health is a Universal Human Right.'At Avalon World School various activities were undertaken to mark this day. Students prepared a positivity board and wrote gratitude notes. A session was also conducted by the counselor Ms.Renu Singh for students of grades IX and X where simple methods were shared to improve mental health and reduce stress among students.

"Taking care of your mental health is an act of self-love."

Visit of Euro Kids to AWSW

11 Oct. 2023

Avalon World School Waghodia hosted a field trip for the little ones of 'Eurokids Waghodia'.

The teachers of Avalon welcomed the students and staff with hand crafted gifts prepared by them. Few activities and a school tour was also organised for the students.

It was a fun-filled and unique experience for the students of both Avalon and Eurokids.

CBSE Reading Challenge Round II

10 Oct. - 13 Oct 2023

Reading keeps your mind active and enhances your creative ability. Avalon World School Waghodia participated in CBSE Reading Challenge. 10 students from grades 6 to 10 were registered for participation in second phase of the programme from 10th October to 13th October. The medium of answering was Hindi and English.

Garba Celebration

20 Oct.2023

Garba Celebration

Educational tour to Panchmarhi

**"Travelling – it leaves
you speechless, then
turns you into a
storyteller."**

Cultural Day (Pre- Primary)

27 Oct. 2023

Cultural day celebration is important for promoting cultural awareness, tolerance and global understanding. It fosters creativity, builds social skills, and involves the community in children's education. Celebrating cultural days helps promote respect, and inclusivity, teaching children to accept and embrace differences in people.

**"We may have different religions, different languages,
different colored skin, but we all belong to one human race."**

Principals' & Teachers' Meet Academic Excellence Awards 2023 29 Oct.23

Avalon World School Waghodia takes immense pride and pleasure to announce that our Principal Dr. RK Shakya and two teachers Ms Sonal Bhatt and Ms Priyanka Jha received the prestigious 'Principals' & Teachers' Meet Academic Excellence Awards 2023, from Parul University, Vadodara, at hotel Hyatt Place, on Sunday 29 October 2023.

Google's Birthday

Celebrating 23 Years of Google: A Journey Through Time Google, the search engine that needs no introduction, marks its 23rd birthday, and its remarkable journey from a humble research project to a global tech giant is worth celebrating. Founded in 1998 by Larry Page and Sergey Brin, two Stanford University students, Google was initially conceived as a solution to make sense of the ever-expanding universe of online information.

The name "Google" is a clever twist on "googol," a mathematical term representing the numeral one followed by one hundred zeros. This name choice encapsulated the founders' ambitious goal to organize the vast and seemingly infinite pool of data on the internet.

In the early days, Google's unique and efficient algorithm set it apart from existing search engines, providing more accurate and relevant search results. This innovation propelled the platform to prominence, and by 2000, Google had become the world's premier search engine. At the heart of its success was the PageRank algorithm, which ranked web pages based on relevance and quality, a revolutionary concept in the realm of online searching.

Google didn't stop at search. Over the years, it expanded into numerous services, including Google AdWords, Google Maps, and Gmail. In 2004, the company went public with an IPO that raised billions of dollars, further cementing its position in the tech industry.

Today, Google is much more than just a search engine. It offers a vast array of products and services, ranging from the Android operating system and Google Drive to YouTube and cloud computing. The company's innovative spirit has continually shaped the way we access information, connect with the world, and even interact with technology. As Google enters its 23rd year, it stands as an enduring symbol of the digital age and a testament to the power of innovation.
