Diwali Celebration

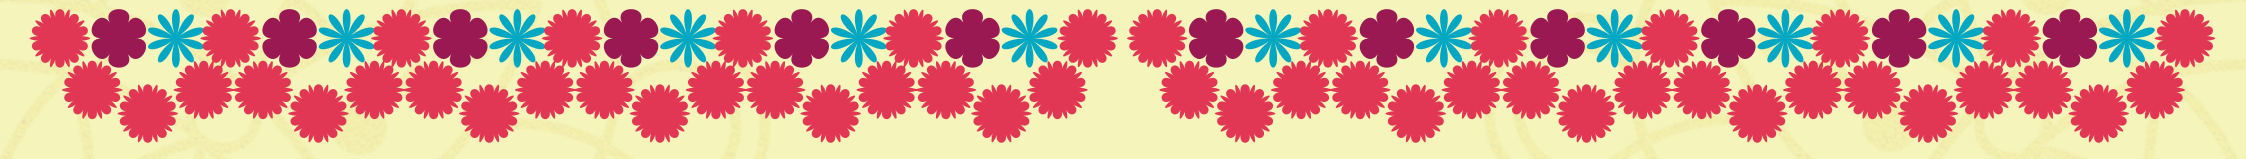

8 Nov. 2023

Diwali, the festival spiritually signifies the victory of light over darkness, knowledge over ignorance, good over evil and hope over despair. The school celebrated Diwali in an innovative way. Young Avalonians creatively decorated diyas with colours and glitter. They shared sweets with each other. The student council members with the principal & headmistress visited the Govt. Primary School in Amodar to create awareness about celebration of eco-friendly diwali. The disadvantages of firecrackers was shown through posters. They raised awareness among our school children too.

"Diwali is a reminder that light will always triumph over darkness, and good will conquer evil".
