### GRATITUDE IS THE FOUNDATION OF HAPPINESS

With immense contentment and heartfelt satisfaction I am here to pen down my gratitude for making us witness such a lovely, memorable and mesmerising performance. In the evening of the 13<sup>th</sup> day of January 2024, the moment I reached, the venue's positivity was overwhelming. The "JOSH" of each and every one can't be explained in words. The play depicting the life of "Rani of Jhansi" not only stole the show but also it filled each and every one present there with feelings of love, devotion and sense of attachment for the country.

With all due respect I along with my wife extend our best wishes to you and your team for flying the flag of AVALON WORLD SCHOOL always high.

We both wish the very best to all the students for their future. We as parents are always proud to say it loud that our children's future is being moulded by one of the best pair of hands. At the last we congratulate all the staff members for their dedication and enthusiasm towards their line of work which made the event a colossal success.
