 SEASON'S GREETINGS

In efforts to move towards a better future for our students, Avalon World School Waghodia decided to hold a “Zero Plastic Day” on 3rd of July. Students made paper bags and were made aware about the threat caused by plastic pollution to the natural environment, be it land or marine life.

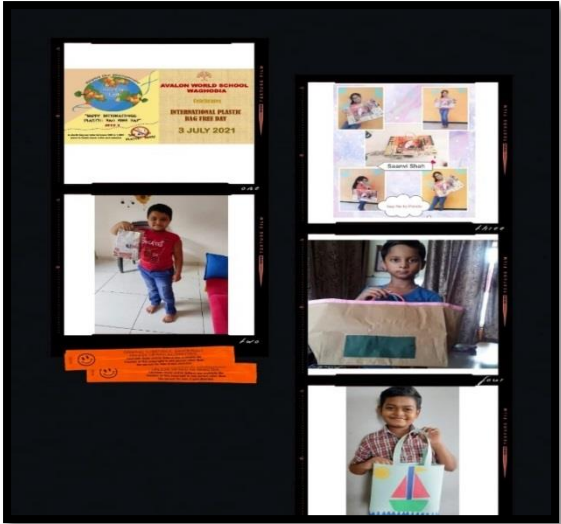

A million plastic bottles are bought around the world every minute !

Eating plastic animals died, seeing plastic nature cried.
So say no to plastics!

Less Plastic. More Life.

Help the Earth rejuvenate; Say No to Plastics.

If we say no to plastic then the environment will smile towards us!

❁ Go Green, Plastic is Obscene! ❁

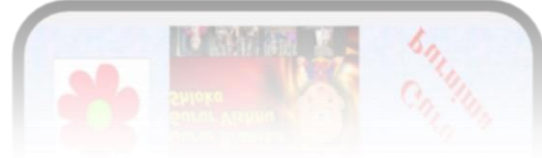

Plastics give a helpful hand, but they are polluting our land!

Less Plastic, More Life.

8 million tons of plastic pollution ends up in our oceans annually.
