THE MEMORIAL

Violence or non-violence did not matter,
The thing which mattered was Freedom.
Now it's time to respect those
Who fought for our kingdom.
They fought with the British with bravery
Because we Indians did not accept slavery.
It's time to raise our voice
For them who gave up their life.
My tribute to every martyr
Who gave his life to the nation easily.
Their struggle we can never forget.
Because of them we can live safely.
The memorial states self-sacrifice
Which even represents
The soldier who fought with courage.
And wise
Saying this, an Indian proudly cries.
