Mud Art Day(Pre-Primary)

2 May 2025

To help our little learners connect with nature and explore their creativity, a Mud Art Activity was organised for the Pre-Primary students. Children enjoyed getting their hands messy as they played and created beautiful designs using natural mud. This sensory experience allowed them to express themselves freely, while also developing fine motor skills and hand-eye coordination. The joy on their faces reflected their excitement and curiosity. Activities like these not only enhance creativity but also instil a love for nature and traditional art forms in young minds.
