Children's Day was celebrated with great enthusiasm and joy in our school, honoring the birth anniversary of Pandit Jawaharlal Nehru and his deep love for children. The day began with a special assembly by teachers, who presented a heartwarming tribute highlighting the significance of Children's Day and the values of curiosity, kindness, and learning that Nehru advocated. Headmistress Ms Renu Singh gave a speech, about staying curious, confident, and compassionate, growing each day into the shining leaders of tomorrow. The atmosphere buzzed with excitement as students arrived in colourful attire, ready to enjoy a variety of fun-filled activities. Teachers presented skits, energetic dance performances, and poems that brought smiles to every face. A special ramp walk presented by the teachers added an element of surprise and delight. The celebration concluded with a message encouraging students to continue dreaming big and believing in themselves. # Sandwich Day Celebration

28 November 2025

The Sandwich Day celebration in Pre-Primary section filled the school with a cheerful bustle as little hands layered colours, textures, and flavours into delightful creations. The activity turned classrooms into tiny culinary studios where students brought the joy of eating healthy sandwiches filled with crisp vegetables, soft bread, and a dash of imagination into a friendly edible puzzle.

Teachers guided the children in understanding the importance of balanced eating, while the students happily transformed simple ingredients into vibrant bites of creativity. Smiles spread as widely as the butter on their bread, and each sandwich became a small badge of pride.

The day ended with a happy hum of sharing, tasting, and learning—reminding students that healthy food can be both fun and flavourful. 🍞
